The new manager is Valentino Moroni. He arrived on the China and assumes the management of the Moana and Seaside hotels. No other changes will be made. Philias Poirier will still be chief clerk of the Moana and T. B. Thiele will retain management of the Young and Hawaiian hotels.

Moroni has an excellent reputation to back him in the new venture. Under Mr. Meola he was with the Corso Hotel in Milan and he was also with the Prince Albert of Cook's Nile S. Bergstrom Christmas Talks No. 4

The Victrola

WITH the constant "Victory of the Victrola" has come a myriad of imitations. Most of them do not even successfully imitate.

"The Victrola's the Thing!"

It is an instrument that faithfully reproduces the recorded song of an artist, a bird, the recitations of a Riley in his own voice, the playing of a Paderewski or de Pachmann, the various marvelous musical instruments that have been so wonderfully reproduced.

Think of the song of Melba, in her own gorgeous, incomparable voice, being preserved for future ages to enjoy—even when her great personality will have become a thing of the past!

Such is the attainment of the Victrola.

Prices from \$15 to \$350.

A lovely Christmas gift? Yes!

Our stock of Victrolas and Records is the largest in the Territory.
